**Cross section of Molto**

- Treated Steel
- Polyurethane (Fills the entire frame)
- Impact Resistant Polymer

- Color and grain through the core
- Flexes under extreme usage
- Virtually indestructible
- Cal 133, self extinguishing (with select FR fabrics)
- Steel reinforced at stress points
- Four standard finish colors
- Scuff and stain resistant
- Easily renewable surface
- Outdoor capable

Duraframe® technology is the combination of three elements: an impact resistant outer skin with graining impregnated all the way through, steel bars reinforcing all structural joints, and a polyurethane filling to serve as the concrete or glue that joins the tough outer shell with the strength of the steel.
